**The Innovative, Natural,
Professionals choice for pest
control products.**

**PAKS IS A LONG-ESTABLISHED GERMAN COMPANY THAT DEVELOPS,
MANUFACTURES AND MARKETS A WIDE RANGE OF INNOVATIVE
HIGHLY EFFECTIVE PEST CONTROL PRODUCTS.**

Our products include protection against Rodents and Insects for both the home and commercial environments. PAKS has supplied professional pest controllers and Retailers with pest control products throughout Europe for over 20 years. Following substantial market feedback and demand from our customers in 2018 PAKS management took the decision to develop a range of new and innovative pest control products that were all non-lethal and where possible 100% natural. In 2019 we launched our range of Virtual Shield natural oil products followed by our Venturi Wasp trap and then our very latest patented products the Mosquito Light Shield and Mosquito TAG Repeller.
