

**A range of products using purely
100% natural ingredients to help keep
your environment free from pests**

Essential oils are well known for their distinct aroma and insect- and rodent-repellent properties. Taking these core properties, we have developed unique combinations of steam-distilled and cold-pressed oils that are far more powerful than the botanicals from which they were extracted. Each unique blend has been extensively tested and proven effective. The complete range can be used both for individuals and businesses anywhere, anytime, indoor or outdoor.

All of our new patented products are developed to provide our customers with a compact, portable, convenient and easy to use solution. All of our products incorporate our patented passive scent release technology which ensures cost-effective and long-lasting operation. Once the portable container is opened and positioned in the targeted area, the 100 % natural scent will be released and the pests finely tuned sense of smell will detect it and encourage it to simply move away from the area unharmed.

Key Benefits

PORTABLE
Ideal for travel

INVISIBLE
No spray or
skin contact

**100%
NATURAL**

Product Models

Travel Portables

The Travel Portables are designed to provide an easy-to-use, reusable solution. It operates with our patented slow-release technology, which can keep the product effective for up to 12 months. It fits perfectly into your pocket or handbag for a simple every day, on-the-go solution. It does not contain liquids, making it safe to be taken through airport security.

Available in 4 Brands: Wasp, Mozzie, Rodent, Moth

Repeller

The Repeller design is engineered for professional use, against aggressive insects. The product actively diffuses the aroma which

product actively diffuses the aroma which keeps pest away. Because of it is nice and robust structure it is the perfect solution for commercial environments such as Restaurants, Hotels and Bars. Easy to use – Just add water and 5-10 drops of our natural oil blend and repel wasp/mosquitoes at the touch of a button. It can create a 20 m2 protection zone so you can stay in a wasp/mosquito free zone. Completely Wireless & Battery-operated products, with rechargeable battery. With one charge it can run up to 8 hours. Charging via USB cables (supplied). Both models provide a perfect solution both for home and business. Ideal use in bars or restaurants.

Available in 2 Brands: Wasp, Mozzie

Refills

Virtual Shields refills are the cost-effective way to use our Repellers and travel Portable products. Just select the required Formula (Wasp, Mosquito or Virus solution) and simply top up the diffuser or travel Shield. Each refill contains 10ml of the unique formula and is supplied in a specially manufactured recyclable glass bottle to guarantee product quality.

Available in 2 Brands: Wasp, Mozzie

Our Brands

WASP SHIELD

Wasp Shield helps you provide a fresh and wasp free environment by which you and or your clients can enjoy a pleasant fresh scented environment without the nuisance and risks associated with wasps. Wasp Shield is ideal for travel, multiple applications including BBQ`s,

camping, hiking, outdoor dining, bars, restaurants etc.

Available in product models: Travel Portables, Repeller, Refills

MOZZIE SHIELD

The environmentally friendly way to keep mosquitoes at bay. It provides an easy-to-use, reusable solution without skin contact. Zero Deet alternative to Mosquito Killer Sprays and traps. Perfect for both indoor and outdoor use.

Available in product models: Travel Portables, Repeller, Refills

RODENT SHIELD

Rodent Shield is a natural formula which effectively deters mice, rats and other rodents from your home or garden, without killing them. The unique essential oil blend is a natural alternative to a mouse trap or inhumane mouse sticky pads. Rodent shield portables are especially effective when used in conjunction with PAKS non-lethal traps.

Available in product model: Travel Portables

MOTH SHIELD

A unique Dual action Organic Repellent deters any moths very quickly. Moth Shield is not a spray or block and therefore leaves no stains or residue on clothes or surfaces just a very

pleasant aroma. Moth Shield is perfect for use in your wardrobe, drawers or cupboard, just place the Moth Shield where needed and the atmosphere will fill with a cossetting cloud of moth deterrent aroma to ensure holes in your clothes, odours and excess moisture in your wardrobe are distant memories.

Available in product model: Travel Portables
